## ► The Great River Project

with Ottawa Riverkeeper, Meredith Brown

Monday March 19, 2012 at 7:30 pm

Wakefield Community Centre

Ottawa Riverkeeper, Meredith Brown will fascinate you with her reflections on the Great River Project, a 900 km canoe excursion of the Ottawa River this past summer. During this journey an expert team of photographers, historians, naturalists, and scientists documented the state of the river. Come discover its ecology and rich cultural heritage and learn why the Ottawa River and its watershed is so special and worth protecting.

- Meet representatives of Friends of the Gatineau River (FOG)
- Check out the GVHS publications table
