

Secretarys report of year 1962.

Although we held several Executive meetings during the summer, there were no minutes kept. We called a final meeting in Sept for the election of officers but unfortunately there was not a quorum present so no business or election took place. So our main purpose this evening is to elect our Executive for 1963.

During the past summer we rented the club 3 times at \$20.00 - & once for a nominal fee of \$5.00 for a small meeting.

We held a Wrems roast which was a success & the younger people had several lunch-parties. The Pine Springs cooler certainly paid for itself & was a very popular feature as it is really the only convenient place to purchase a cold drink in the summer - ping pong is also popular.

We had a membership of 75 people of which our 50% joined on account of the dock which is maintained by the club for their swimming members - it is a popular feature.

Through the efforts of our president & the kindness of Mr. Mulligan we were able to have the club house painted - for \$50. It is certainly a great improvement.

2091
Our bank balance with all 1962 bills
paid is \$58.00 + 10.25 ^{on hand} and at the moment
I have on hand tax bills to the amount
of
