

MEETING OF SQUASH COMMITTEE ON JUNE 20 1979 AT 7.30 P.M.  
TO REVIEW PROPOSED BYLAWS PRIOR TO REVIEW BY GENERAL MEMBERSHIP

PRESENT: A. Hopkins, P. Wilson, W. Weynerowski, J. Lemelin, W. Allan  
W. Pawley, J. Kranenburg, M. Hill, R. Williams (observer)

1. A. Hopkins reviewed the outstanding construction details and requested urgent assistance on the following:

Handrail on stairwell must be in place as an Insurance requirement. The wooden handrail on the metal railing overlooking courts is an important safety factor and warrants immediate attention. A total of 30 other items remain including septic tile field.

2. It was deemed advisable that the Squash section co-ordinate its A.G.M. with that of the main Cascades Club, with a suggestion that colour-coded votes be used to facilitate procedure. The voting details will be examined carefully nearer the time by the President.

Motion 1: P. Wilson, seconded J. Lemelin, moved that 2 p.m. on August 25 1979 be tentatively scheduled for the Annual General Meeting of both Cascades Club Incorporated and the Squash Section.

Carried unanimously.

3. W. Allan advised Committee that he had been checking out the coaching facilities at Ottawa Athletic Club. It was agreed that certain stronger players would receive special instruction from W. Weynerowski at a Clinic on Wednesday 27th June, thereby enlarging the club's potential "Instructor Group".

The bylaws were then reviewed in detail.

Motion 2: J. Lemelin, seconded W. Allan, proposed the bylaws be accepted and circulated to all Senior Members for perusal.

Carried unanimously.

Motion 3: J. Lemelin, seconded W. Pawley, moved that W. Allan be authorised to draw up a duty roster for all maintenance and cleaning of Squash facilities.

Carried unanimously.

P. Wilson, seconded W. Pawley, moved for adjournment. 9.30 p.m.
