An Investment ----

An Opportunity ----

RR 3 WAKEFIELD, QUÉ.

AN OFFER YOU CAN'T REFUSE!!!!

During the month of March 1980 the Cascades Club is offering to members an exciting opportunity to participate in the completion of the final remaining task related to the construction of the squash facility. - PAYING FOR IT!!!!

As a result of the voluntary effort put out by so many members, almost unbelievably, we have one of the finest, least expensive, most easily accessible squash facilities in the entire region, and the total debt outstanding is a mere \$10,000! "A MERE TRIFLE" you may say, and indeed it can be, but right now it's costing us, all of us, the equivalent of one fully paid adult playing membership per month to carry this debt at the bank!

While we have nothing against bankers, some of our best friends are bankers even since interest rates went off the top of the chart, it would still seem to be more desirable if that money were being spent on the care, maintenance and development of the club.

The solution to this distressing state of affairs lies in this offer we hope you won't refuse. On the assumption that, unlike some of us, you may have most of your Christmas bills paid (!), the Cascades Club is offering to members one hundred interest free debentures at \$100 each which will immediately and orthwith retire, for ever, all debts incurred in the construction of the squash facility.

EACH MEMBER WHO PURCHASES ONE UNIT i.e. \$100 worth, will have his or her name entered in a monthly draw, the first of which will take place on the last Friday of March, i.e. the 29th, and which will continue each last Friday thereafter, at which a minimum of three (3) names will be drawn and each of these three worthy souls will be immediately repaid in full.

All debentures will be repaid, at the latest, by the end of March 1982, and each one repaid will entitle the lucky holder to a valuable prize, like one squash ball for those drawn on March 29th. These prizes will increase in value to the point where those who get repaid early will wish they hadn't!

All you have to do to take part in this exciting, amusing and economically thrilling venture is to send your cheque, cash or money order payable to:-

NO MORE THAN ONE HUNDRED WILL BE SOLD!

ALL DEBENTURES WILL BE REPAID BY MARCH 1982 AT THE LATEST!

THIS IS PROBABLY A CONSIDERABLY BETTER INVESTMENT THAN CANADA SAVINGS BONDS!!
