My dear Wright

I return you the original deed - it seems to be all right. I have pencilled on it one or two queries - please look into them -

Do you know of any cottage that could be leased for the ~~summer~~^{summer} in your neighbourhood as I am anxious to move out there by the 1st of May - to be on the spot when the buildings are going up at Belmont -

almost any place would do, if
at all habitable.

Very truly yours
J. Skewton
